Safe Harbor Statement

All of the statements contained in this news release, other than statements of fact that are independently verifiable at the date hereof, are forward-looking statements. Such statements, as they are based on the current assessment or expectations of management, inherently involve numerous risks and uncertainties, known and unknown. Some examples of known risks are: the impact of general economic conditions, general conditions in the pharmaceutical industry, changes in the regulatory environment in the jurisdictions in which IBEX does business, stock market volatility, fluctuations in costs, and changes to the competitive environment due to consolidation or otherwise. Consequently, actual future results may differ materially from the anticipated results expressed in the forward-looking statements. IBEX disclaims any intention or obligation to update these statements, except if required by applicable laws.

In addition to the risk factors identified above, IBEX is, and has been in the past, heavily reliant on three products and five customers, the loss of any of which could have a material effect on its profitability.
